

Analyzing English in a Global Context: A Reader (Teaching English Language Worldwide)

Most spoken second languages

Excluding local and native languages

Key | English German Russian French Italian

GUARDIAN GRAPHIC

SOURCE: EUROSTAT

This shows the most spoken second languages in Europe. It excludes both native and official local languages. For example, for a German living in the UK, German (native language) and English (local language) would be excluded. As the data was collected via a Eurobarometer survey, for countries where the differences between languages were marginal, multiple languages have been included.
