

# INTP: Understanding

## INTP "The Scientist"

**INTP = I Need To Ponder**

INTPs are quiet, thoughtful, analytical individuals who tend to spend long periods of time on their own, working through problems and forming solutions.

They generally balk at attempts by others to convince them to change. They also tend to be impatient with the bureaucracy, rigid hierarchies, and the politics prevalent in many professions.

INTPs organize their understanding of any topic by articulating principles, and they are especially drawn to theoretical constructs.

**Characteristics**

- Live in the world of theoretical possibilities.
- INTPs are driven to build knowledge.
- Do not like to lead or control people.
- Usually not in-tune with people's feelings.
