

Democratizing Brazil: Problems of Transition and Consolidation

Globalization and democratization in Brazil an interpretation of Rawls's political liberalism

*Nythamar de Oliveira**

As it was bluntly stated on the homepage of the Carnegie Council Program on Justice and Global Economy, "[g]lobalization has become a buzzword for the overarching economic, political, social, and cultural trends of the late twentieth century. Considered from the perspective of social and economic justice, however, globalization has had a mixed record of success, at best."¹ The mixed blessings of globalization came under attack on several occasions such as the latest international summits in Europe and the Americas, and three editions of the World Social Forum, held at Porto Alegre, Brazil, at the

* A first draft of this paper was read at the Philosophisches Forum of the Universität Kassel, in a seminar organized by Prof. Hans-Georg Flickinger in February 2003 and supported by the CAPES-DAAD exchange program on "Social Movements and the Struggle for Citizenship Rights: A Comparison between Brazil and Germany."
