

# Second Chance: Three Presidents and the Crisis of American Superpower

In his compelling new book, *Second Chance: Three Presidents and the Crisis of American Superpower*, Mr. Brzezinski not only assesses the short- and long-term fallout of the Iraq war, but also puts that grim situation in perspective with the tumultuous global changes that have taken place in the last two decades. *Second Chance: Three Presidents and the Crisis of American Superpower*. Brzezinski's latest book is a passionate polemic arguing that U.S. foreign policy since has been deeply flawed. Yet despite it all, Brzezinski remains optimistic.
