## STOICISM ETHICS

- ✗ Morality should be basis enough for happiness and satisfaction.
  - ✗ Morality is the only form of "good".
  - ✗ Emotion's lead to 'false judgement' and contain a destructive nature.
- Also, the stoics believed that material goods could not bring happiness towards humans. Stoics believed that mercy, wisdom, courage, moderation, love of justice, and balance were important virtues, because those qualities would always benefit the possessor and should never be taken away.
