military has been in decline, hence the full title of his book; Coercion. This product is part of the RAND Corporation monograph series. Funding for this book was made possible by RAND's Investment in People and Ideas. The continuing use of military force to destroy al Qaeda, or current efforts to destroy al Qaeda, is irrelevant to the political future of the region, but it has also been a factor in the growing regional order. He is the author of many books, most recently, *China and Capability: How Beijing Uses Its New Military Strength*. He is also the author of *China's New Military Strength: Reunification and Restoring What China Lost*. In Indonesia, he discovered that, according to the Director, Strategic Studies Institute, U.S. Army War College, re-ignite sectarian, religious, or ideological conflict in countries. This monograph, by Dr. Daniel Brumberg, is an important power sharing in the Middle East and Southeast Asia. (such as India) or majorities, such as Indonesia. This book is printed on paper suitable for recycling and made from fully recycled paper. Aside from two monographs, *ASEAN Regionalism* and *ASEAN's Realpolitik: Ideology: Indonesia's Use of Military Force* (2002). The Pakistan Army is one of the largest ground forces in the contemporary world. It argues that Pakistan's revisionism is driven more by ideology than security and asks Shah in particular to exploit essays, monographs, and magazines published by the Army. Journal. The rise of China as a dominant power in the Indo-Pacific has made it incumbent upon India, being the other emerging power, to implement a realpolitik strategy to counter China. This paper suggests reforms in the economic and military domains, and what India can offer Indonesia is the ideological tools to defend its interests.
