

# Italy in the Dark Ages

In the time following the end of the Western Roman Empire known popularly as the Dark Ages, Italy faced great hardship due to the political and military. The Early Middle Ages (the "Dark Age") is the period in European history following the fall of the Western Roman Empire, spanning roughly the five centuries. The urban focus of politics and economic life inherited from the Romans continued and expanded in the early Middle Ages and was the unifying element in the. In the Middle Ages, Italy was not its own country, even though that big boot-shaped peninsula was known then as now as Italia. It had of course. By about AD, the Holy Roman Emperors started to lose power over Northern Italy. The Counts of Canossa controlled most of Northern Italy. Those who lived before AD obviously did not use the term "Middle Ages" for their own time; the concept of "Middle Ages" or "Dark Ages" was coined in the 17th century, when Europeans often regarded the enlightened ideals of Ancient Greek and the Roman Empire to have been lost with the fall of Rome in the 5th. Music in Italy during the late Middle Ages had a melodic quality. Among the prevalent forms was Trecento Madrigal, which comprised of a verse/refrain format. The Middle Ages in Northern Italy were a tumultuous time marked by an economic boom which led to the foundation of Europe's modern urban. Italian city states in the north of the country gained influence in the 13th century developing into economic and military strongholds during the Middle Ages. Italy in the Middle Ages was characterized by fragmentation into multiple political units which was a result of rivalry between the European states for influence in. I am not an expert in Italian history, but I think; the city-states in Italy were too strong just to be cities. Milan, Venice, Florence, Rome, Naples they were all. The Middle Ages. Date: Government In Germany And Italy. Government In Germany And Italy. When the Carolingian kingdom of the East Franks proved.
