### CAREER:

- NANHAI NORMAL SCHOOL : TEACHER**  
I took a evaluation class for my students to help them learn. One of them said I was "killing her spirit for learning." Fixed that. I mean come on - it was my first time teaching. Learned that my only job is to not disrupt the right way.
- GE GX'S : FINANCIAL MANAGEMENT PROGRAM**  
Big excuse. Learned that I didn't want to be an accountant for the rest of my life.
- INSIDE SALES**  
Learned that everyone is marketing themselves or just waiting to die.
- PRIMERICA FINANCIAL SERVICES : SALES**  
Financial partner. A few bills of sales plus management, marketed insurance and mortgages. Learned I was a better salesperson than recruiter.
- CALLASA INVESTMENTS : BROKER**  
Made more money in real estate than I had in my past. Plenty of sales awards, didn't think subprime loans were all that awful. They called me, so I felt I was giving them what they wanted. Learned not to tell credit what I thought they needed.
- INTERFICIO ASSASSINATION TOURNAMENT**  
Ran several assessment tournaments in Chicago, D.C. & Austin. Worked with my brother and multiple programmers developing a first-based "full confession" system. Learned that to have success, you need to share the vision.
- AMERICAN TOWER : TOWER ACQUISITIONS**  
Needed to get a contract to build about 100 towers. Had to learn call rights, instructed reps on new CRM system. In the end, didn't think deals were all that great. Learned that you have to believe in what you're selling to win.
- WANDERING FOODIE : WRITER**  
Decided I was going to take my money from mortgages and film a pilot for the Food Network. Shot at 24 restaurants in 24 hours in DC. Boston. Ran out of money, moved to NYC. Learned that it's easy to enter a scene if you make friends with bloggers.
- MORRIS + KING : SOCIAL MEDIA CONSULTANT**  
Broke product online. Learned that it's not quality video about beer. Brewers pay for the spots. Learned that if you make something and expect to be paid for your work, you get paid.
- I TASTE YOUR BEER : MARKETING/SALES**  
Broke product online. Learned that it's not quality video about beer. Brewers pay for the spots. Learned that if you make something and expect to be paid for your work, you get paid.
